Press Release

FREE OUTDOOR MOVIES AT THE DEPOT

Kennesaw, Georgia (June 24, 2005) - Years ago, if you wanted to watch a movie outdoors, you had to load the kids into the “family truckster” and head out to a drive-in theater. As the popularity of drive-ins began to decline in the 1970s, watching movies under the stars seemed destined to go way of 3-D glasses... until now.

In cooperation with B-3 Productions’ Starlight Movie Series, the Kennesaw Parks & Recreation Department is pleased to announce a new lineup of FREE SUMMER MOVIES at the Depot in downtown Kennesaw. Park your car, spread out your blankets and lawn chairs, and enjoy a major motion picture on a 4-story tall movie screen with family and friends. Movies will start at dusk, but arrive early for music, games and more. Bring your own food, or purchase from vendors on-site.

Movie lineup:

Saturday, July 23	Chitty Chitty Bang Bang (Rated G)
Saturday, August 27	Babe (Rated G)
Friday, September 23	Movie to be Announced
